

easy

you were so easy
let me crash
let me fall
spin me around
i can't feel nothing at all
a first time crush
a busted flush
i fell right through the floor
i knew it would be easy
an overflowing cup
you lift me
i can get enough
of your touch

and i ever learn to fly
i'm know that you could be my sky
to get my head back to the ground
i weigh myself back down with sound

you read me
an open book with every look
a library shelf for no one else
translate the words take me to another world
where lips will twist
in the meaning of these words

and i ever learn to dive
through the emoceans of your mind
and rising up through these dreams
sweet and sudden seas

you were so easy
so easy
so easy

you were so easy
so easy
so easy....
so easy
so easy
